\_\_\_\_\_  
**A BILL**

To direct the Federal Trade Commission to promulgate regulations to prohibit an entity from selling, leasing, or offering for sale or lease water rights at an excessive price during certain droughts, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Drought-Related Over-  
5       pricing Prevention Act” or the “DROP Act”.

1 **SEC. 2. PROHIBITION ON WATER RIGHTS PRICE GOUGING.**

2 (a) PROHIBITION.—Not later than 1 year after the  
3 date of the enactment of this Act, the Commission shall  
4 promulgate, under section 553 of title 5, United States  
5 Code, regulations to prohibit an entity from selling, leas-  
6 ing, or offering for sale or lease, at an excessive price,  
7 water rights relating to an area subject to a covered  
8 drought.

9 (b) EXEMPTIONS.—

10 (1) IN GENERAL.—In promulgating regulations  
11 under subsection (a), the Commission shall exempt  
12 from such regulations the following:

13 (A) An entity with less than \$100,000,000  
14 in gross revenues in the United States (includ-  
15 ing the revenues of any parent entity of such  
16 entity) during the 1-year period preceding the  
17 date of the relevant sale, lease, or offer.

18 (B) A State government.

19 (C) A local government.

20 (D) A Tribal government.

21 (2) ADJUSTMENTS FOR INFLATION.—On an an-  
22 nual basis, the Commission shall adjust the amount  
23 specified in paragraph (1)(A) to reflect changes in  
24 the Consumer Price Index for All Urban Consumers  
25 published by the Bureau of Labor Statistics.

26 (c) EXCESSIVE PRICE DETERMINATIONS.—

1           (1) STANDARDS REQUIRED.—In promulgating  
2 regulations under subsection (a), the Commission  
3 shall establish standards for determining if a price  
4 is excessive.

5           (2) DETERMINATIONS OF EXCESSIVE PRICE.—  
6 The standards established under paragraph (1) shall  
7 provide for a price to be determined excessive if the  
8 Commission finds that the relevant entity is selling,  
9 leasing, or offering for sale or lease water rights—

10           (A) using a covered drought as a pretext  
11 to increase prices; and

12           (B) at an inappropriately excessive price  
13 compared to the average price at which similar  
14 water rights were sold, leased, or offered for  
15 sale or lease (as the case may be), during the  
16 120-day period preceding such covered drought,  
17 by—

18           (i) such relevant entity; or

19           (ii) by all sellers in the relevant mar-  
20 ket.

21           (3) COSTS NOT WITHIN CONTROL OF ENTITY.—  
22 The standards established under paragraph (1) may  
23 ensure that an entity is not determined to be selling,  
24 leasing, or offering for sale or lease water rights at  
25 an excessive price if the entity demonstrates, by

1 clear and convincing evidence, that a relevant in-  
2 crease in price is directly attributable to costs that  
3 are not within the control of the entity.

4 (d) ENFORCEMENT BY COMMISSION.—

5 (1) UNFAIR OR DECEPTIVE ACTS OR PRAC-  
6 TICES.—A violation of the regulations promulgated  
7 under subsection (a) shall be treated as a violation  
8 of a regulation under section 18(a)(1)(B) of the  
9 Federal Trade Commission Act (15 U.S.C.  
10 57a(a)(1)(B)) regarding unfair or deceptive acts or  
11 practices.

12 (2) POWERS OF COMMISSION.—The Commis-  
13 sion shall enforce the regulations promulgated under  
14 subsection (a) in the same manner, by the same  
15 means, and with the same jurisdiction, powers, and  
16 duties as though all applicable terms and provisions  
17 of the Federal Trade Commission Act (15 U.S.C. 41  
18 et seq.) were incorporated into and made a part of  
19 this Act. Any person who violates such regulations  
20 shall be subject to the penalties and entitled to the  
21 privileges and immunities provided in the Federal  
22 Trade Commission Act.

23 (e) DEFINITIONS.—In this section:
